INVIVA LIFESCIENCES

INVIVA Detoxin

Detoxin is a health supplement which contains Asthaxanthin, Milk Thistle extract, other vitamins, minerals and herbs. Detoxin supports lungs and liver detoxi?cation and offers healthy bronchial and hepatic function. Detoxin increases immunity and gives antioxidant protection which is usually compromised in smokers and alcohol consumers. Detoxin also helps aid 'hangover' symptons.

Ingredients:
Vitamins, Minerals, Starch, Talc, Cellulose derivatives, Magnesium Stearate.

Storage:
Store in a cool dry place protected from direct sun light.

Dosage:
One tablet daily after meal or as prescribed by the Physician.

Best before 24 months from date of manufacturing.

J. J. vitamins IRON CAPSULES provide all the vital nutrients for energy and vitality. It contains a unique combination of Iron, minerals, B-Complex, Folic Acid and Zinc.

Iron is an important components of haemoglobin, the substance in red blood cells that carries oxygen from your lungs to transport it throughout your body. If you don't have enough iron, your body can't make enough healthy oxygen-carrying red blood cells. Iron is also necessary to maintain healthy skin, hair and nails. Niacin improves iron absorption, Riboflavin maintains body's energy supply.

Nutritional Information (Approx) :
Each Capsules Contains :

Iron	22 mg
Zinc	10 mg
Copper	2000 mcg
Folic Acid	500 mcg
Vitamin B12	10 mcg
Vitamin B6	5 mg
Vitamin B1	6 mg
Vitamin B2	2 mg

Dietary Supplement

J.J. vitamins
IRON SYRUP
with Folic Acid, Zinc, Vitamin C
B-Complex & Minerals

J.J. vitamins IRON SYRUP provide all the vital nutrients for energy and vitality. It contains a unique combination of Iron, minerals, B-Complex, Vitamin C, Folic Acid and Zinc.

Iron is an important component of hemo-globin, the substance in red blood cells that carries oxygen from your lungs to transport it through out your body. If you don't have enough iron, your body can't make enough healthy oxygen-carrying red blood cells. Iron is also necessary to maintain healthy skin, hair and nails. Vitamin C is an immunity booster, Niacin improves iron absorption, Riboflavin maint-ains body's energy supply.

Specially Designed for Breastfed Infants

Vitamin D3 Drops

All breastfed babies require Vita.-D3 supplement, as low level of Vita.-D is present in breast milk. Low level of Vitamin D leads to poor absorption of calcium, which further leads to weak bones and teeth.

Vitamin D3 400 I.U.

- **Baby D3 Drops** assist in the absorption of calcium & phosphorus from the diet into the bloodstream, which aids significantly in building & maintaining strong bones & teeth.
- **Baby D3 Drops** also complements breast milk to help to provide optimal nutrition to the baby.
- **Vitamin D3** benefits are experienced to the fullest extent by people who maintain optimism.
- **Dosing Tips** : Drops may be given by dispensing directly into mouth. Drops may also be mixed with breast milk or formula, fruit juice, cereal or other foods to increase your child's acceptance.

"SHAKE WELL BEFORE USE"

HOW TO USE THE ENCLOSED DROPPER:
Fill the dropper to the 1ml line to provide the full daily dosage. Use full dosage, regardless of age or weight, unless your child's doctor recommends a different dosage. Dispense with a single squeeze of the dropper bulb. It is normal for a small amount to remain in the tip.

Pull out the rubber teat slightly to facilitate administration.

Склад: 1 жувальна таблетка 1,2 г містить:	
Натрію аскорбату (що відповідає 533 мг кислоти аскорбінової)	588 мг
Кислота аскорбінова	175 мг
Сульфат цинку моногідрат (еквівалентний елементарному Цинку)	10 мг
Вітамін D3	25 мкг

Допоміжні речовини: Манітол, Натрію кроскармелоза, Крохмаль, Стеарат магнію, Ацесульфам, штучний харчовий барвник і ароматизатор.

Харчова (поживна) цінність на 100г продукту (г): Вуглеводи - 38,67; білки - 1,32; жири - 2,81.
Енергетична цінність (калорійність) 100г: 165 Ккал (Кжоль/774 кДж).

Без ГМО.

ВІКОВІТ

ВІТАМІННИЙ КОМПЛЕКС ДЛЯ ІМУНІТЕТУ

Рекомендації до споживання: може бути рекомендований лікарем для використання в раціонах дієтичного харчування:

- як додаткове джерело вітаміну С цинку та вітаміну D3;
- з метою загального зміцнення організму, підвищення захисних сил організму;
- для стимулювання імунної системи.

Дієтичну добавку не слід використовувати як заміну повноцінного раціону харчування. Не перевищувати рекомендовану добову дозу!

Застереження при застосуванні: індивідуальна чутливість до компонентів.

Спосіб вживання: дорослим вимагати 1-2 таблетки на день після прийому їжі.

Термін вживання: до 1 місяця, в подальшому термін вживання узгоджувати з лікарем.

Не є лікарським засобом.

Умови зберігання: в сухому місці за температури не вище 25°С, та відносній вологості повітря не більше 75%. Зберігати в недоступному для дітей місці.

Термін зберігання: 2 роки від дати виробництва.

Виробник: Нутра Хелскеа (NUTRA HEALTHCARE), 29/30, Сонам Індастріал Естейт, ОППО, Корвеу Шекрам, Ел-Ейч. Роад, Б. Камроєй, Сурат - 394185, Гуджарат, Індія (29/30, Sonam Industrial Estate, OPP. Hero Showroom, N.H. Road-6, Kamrej, Surat - 394185, Gujarat, India).

Vitamin D 1000 IU D3

25 mcg

DIETARY SUPPLEMENT

VITAMIN D3 IS THE BODY'S PREFERRED FORM OF VITAMIN D*

SUPPORTS BONE, TEETH MUSCLE & IMMUNE HEALTH*

90 Tablets

Supplement Facts

Serving Size 1 Tablet

Amount Per Tablet	%Daily Value
Vitamin D3 (as Cholecalciferol) 25 mcg (1000 IU)	125%

CAUTION: Some supplements may interact with certain medications. If you are taking any medication, please consult with your physician before using this product.

Non-GMO, No Wheat, No Milk.

WARNING: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reaction occur.

The Humic Acid will help our body to balance and modulate the immune system, so it will form a stronger macrophage (Virus Encapsulator), which will maintain the virus encapsulated for a longer period of time, so this virus will not be released quickly. While the fulvic acid has a direct effect on the "Thymus Gland" thus having a greater production of "T cells" with specific antibodies to attack this invading virus

Storage: Store in a cool, dry place.

ASSURE® ALBUMEN

Assure Albumen (egg white) is nature's best source of protein, which resembles serum albumin and so gets easily absorbed and utilized for muscle building. Egg has highest protein efficiency ratio PER (3.8), which means it assures building more muscle mass when compared to other protein sources of food has excellent amino acid profile especially **BCAA** and Glutamic Acid that stimulates protein synthesis in the muscles cell, relieves fatigue, improves immunity. **ASSURE Albumen** is free from **Cholesterol** and **Gluten**.

Ingredients : Egg Albumen, Malto Dextrin, Biotin, Folic Acid, L-Glutamine, Vitamin Mix., Mineral Mix., Added Flavor, Class II preservative.

Diction for Use : Add 20 gm (4 level scoop) to 90 ml Lukewarm water or 40 gm (8 level scoop) to 180 ml Lukewarm water, stir throughly and consume it immediately. For proper use follow physician's or Dietician's direction.

Storage Condition : Store in cool, dry and hygenic place. Protect from direct sunlight.

API POLLEN Capsules

Supplement Facts

Serving Size 2 Capsules
Servings Per Box 15

Amount Per Serving	
Bee Pollen Powder	1 gm (1,000 mg)

Other ingredient: Gelatin (capsule).Contain no sugar, salt, starch, yeast, wheat, gluten, corn, soy, milk, Egg or preservative.

USAGE : As a dietary supplement, take 2 Capsules. 1 to 3 times daily preferably with meals.

STORAGE: Protect from light and moisture. At a temperature not exceeding 30° C.

Keep out of reach of Children. For Oral Administration.

Not for medical use.

Neutraceutical Product GMP standard. The quality of individual ingredients, however. has not been certified.

Bee Pollen is a powder that composes the male element of the flower, honey bees harvesting the pollen instinctively gather only that pollen which is pure and heathy. It is then mixed with flower nectar and bee saliva to form an all-natural and highly nutritious to human body. It supplies vitamins, amino acids, trace minerals and energy in a synergistic balance that provides optium bioavailabiliy.

† Daily Value (DV) not established

INGREDIENTS: Inulin from Chicory Root, Beta Glucan, Nutriose® FB06, Resistant Starch, Fructooligosaccharides, Psyllium Husk Powder, Guar Gum Fiber, Added Artificial Flavour Orange, Added Artificial Sweetener Sucralose, and Added Artificial Colour Sunset Yellow FCF.

Food for Special Dietary Use. **NOT FOR MEDICINAL USE.**

CAUTION: This product should not be used by children under the age of six years or women who are pregnant or nursing or persons with eating disorders. Persons with medical conditions should not use this product without consulting a physician.

This product is not intended to diagnose, treat, cure, or prevent any disease(s). Do not exceed the recommended serving size. Should not be used as substitute for varied diet.

NET WT 180 GM (6.35 oz) • 30 SERVINGS

concepta Bioscience

OctaFiber

Soluble and Insoluble Dietary Fiber

Powder

5G Fibers

Octa Fiber is a Tailored Blend of Natural Dietary Fibers with Orange Flavor.

with Resistant Starch, Beta Glucans, Inulin, FOS, Psyllium Husk and Guar Gum.

SUGGESTED USE: As directed by the dietician or
Mix 6 g powder (1 scoop) with 1 cup (240 mL) water in shaker bottle, or mix it with a ready to drink product of your choice e.g. Fruit smoothie drink. Take 1 scoop once or twice a day of OctaFiber daily, your preference. Do not exceed recommended daily dose.

NEW USERS: Start with 1 dose per day, gradually increase to 3 doses per day or as suggested by the dietician.

WATER: Drinking extra fluid is strongly recommended when you consume dietary fibers. Water prevents digestive issues such as constipation.

STORAGE CONDITION: Store in cool and dry hygienic Place. Protect from direct sunlight and keep away from children.
